

Dear Parents and Carers,

Friday 30<sup>th</sup> September 2016

As you may know our new classroom was internally remodeled as phase 1 of our building project during the summer break. On Monday we will start phase two which is the building of a new single story extension area to provide a new staffroom and library area. We anticipate these areas to be ready for use in January 2017.

## Brilliant Book Week

Next week we will be having our first Brilliant Book Week of the year! Each class will be working all week on activities and lessons all based around an exciting text. We have taken a range of 'Brilliant Books' by award winning children's authors and used them as cross-curricular themes to plan for depth of learning. The themes help teachers to plan Basic, Advancing and Deep (BAD) activities for the learning objectives and milestones in our Essentials Curriculum.
